

## **CORPORATE PRAYER & FAST | Jan. 24 - 28, 2022**

Please join our church as we fast and pray together leading up to Missions Weekend. The goal of this fast is simple: we want MORE of God. We want to be a people who are radically in love with Jesus, radically transformed by his love for us, and radically filled with his power to be his witnesses to the ends of the earth.

### **DAY 1: INTIMACY WITH GOD**

For the first day of fast, let's get equipped to spend time with God, as the main point of the fast is to connect to the Father in the secret place with the extra space we are making for him! What better way to learn to pray than follow the example that Jesus directly gave us!

Scripture | Matthew 6 : 9 - 13

### **DAY 2: MORE OF THE HOLY SPIRIT**

We desire more of the Holy Spirit, both as individuals, and as a Church! Today, as you spend time with God, call out for more of the Holy Spirit, ask him in faith to fill you with his power and love, and ask for the overflow of his filling to touch the lives around you!

Scripture | Luke 11 : 9 - 13

### **DAY 3: FRESH SURRENDER**

Surrender your life afresh to Jesus today! Invite him to have every area of your life: your finances, your job, your family, your friendships. Ask him to reveal his heart for you and all that he wants to do in your life as you lay it down at His feet!

Scripture | Matthew 10 : 24 - 26

#### **DAY 4: GOD'S HEART FOR THE NATIONS**

We have an inheritance in the Nations! As we are pursuing more of God, ask Him to show you more of his heart for the lost, and ask him to give you a heart that says "Here I am, Send Me!" Also, in preparation for Missions Weekend, let's ask God for the nations to be touched by the gospel, and bless those who are currently overseas.

Scripture | Psalm 2 : 8 | Acts 1 : 8

#### **DAY 5: REJOICE AND WORSHIP**

On the last day of our fast, let us rejoice in all that God has been doing in us and through us this week. Thank Him for speaking to you, showing you more of himself, and encountering you! Pray that this spirit of worship would leave a lasting mark on our Church and the nations!

Scripture | Psalm 46 : 10
